

## **Experienced Carpenter**

### **Job description**

#### **About us:**

OMNI Building Services specializes in commercial build-outs, renovations, and facilities maintenance, serving a diverse range of industries across the East Coast. Our commitment to safety, service, and quality underpins every project we undertake, ensuring success and client satisfaction.

#### **Position Summary:**

OMNI Building Services is seeking a dedicated Carpenter to contribute to our construction and renovation projects. The successful candidate will be a creative problem-solver who takes pride in crafting high-quality work. If you have qualifying experience in carpentry and a passion for creating and restoring spaces, this position offers the opportunity to work on a variety of challenging and rewarding projects.

#### **Typical Duties of a Carpenter/Skilled Maintenance Mechanic:**

- Material delivery coordination
- Ensuring that all work is being performed to company standards
- Proficiency in framing, finish work, drywall & painting
- Able to move throughout a construction site and lift up to 50 pounds
- Traveling to job sites
- Attend regular safety meetings
- OSHA 10 training

#### **Qualifications:**

- Excellent communication skills
- Strong organizational and time management skills
- Minimum of 5 years of experience in the carpentry field
- The ability to work independently and complete required daily tasks
- Able to perform heavy physical activity throughout the workday

- Valid driver's license and reliable transportation

**Benefits**

- Health and Dental Insurance
- 401(K) plan with company match
- Paid time off and paid holidays
- Two weeks vacation to start
- Education tuition assistance

**Reports to:**

- Vice President, Building Services

Pay to commensurate with experience and certifications.
